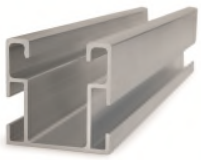
ASSEMBLY APPLICATIONS/ACCESSORIES



PSE - C

ABEI5519

Used in **coplanar and triangular aluminium installation systems** for the lengthwise joining of **PSE-C** "aluminium profile for assembled fixing".

Its specific design allows profiles to be joined via their central cavity without interfering with any operations.

The fixing of profiles to joints is via stainless steel A2-70 **ABEI5519** "DIN-7504-K self-drilling screws".
